### Template for a 2000 straight 3x4 pop-up

This template is set at quarter size, please use it as **one canvas** to design your work.

**This stand is made up of 6 panels**

**4 x straight panels - 733mm x 2235mm (centre panel)**

**2 x curved panels - 673mm x 2235mm (end caps)**

### Pointers

1. Try to avoid text being split by the joins wherever possible.
2. When placing photoshop images make sure they are CMYK and around 400dpi when being placed into this document at 100%.
3. Note that the endcaps curve around to the back of the stand, and it is not advisable to put any important text on these that needs to be clearly read from a front view.
4. If placing Illustrator or Freehand eps files place make sure all text is converted to outline.
5. Please supply a laser proof if possible.
6. We accept artwork created from most Mac programs including: Quark, Illustrator, Freehand, In-Design or Print Optimised PDFs.
